

Live Fire Proficiency Checklist

Once you have completed the online classroom portion of our Online Firearms Certification Courses such as Level 3 Security Guard Commissioning or License to Carry here are the steps you need to complete! All links can be found on our website www.gostrapped.com for easy access!

Texas Level 3 Security Course (initial or recert)

- Download and print your PSP-30 or PSP-31 Completion Certificates(recert).
- Return to our website and click BOOK NOW at the top, choose the *Level 3 Security Guard Live Fire Proficiency* option and follow the directions to register for a range time.
- If you are not in the Dallas-Fort Worth area, look at the different options for other Texas area recommended instructors either in the directions of the registration page or the main Security Training page on our website.
- Bring your certificate to the proficiency. The instructor cannot sign off on your certification without it!
- Once you have your certificate fully signed off, Apply via TOPS (link on website) for your license and submit all paperwork, including your certificate via your online TOPS application.

*DPS allows 90 days to complete your live fire proficiency after the completion of your classroom portion.

Texas License To Carry

- Download and print your LTC-101 class completion form.
- Return to our website and click BOOK NOW at the top, choose the *LTC Safety Class and Proficiency (online class completion)* option and follow the directions to register for a range time.
- If you are not in the Dallas-Fort Worth area, any LTC instructor can complete your LTC proficiency, but check out our recommended instructors as well!
- Bring your LTC-101 certificate to the proficiency. The instructor cannot sign off on your certification without it!
- Once you have your certificate fully signed off, Apply via DPS (link on website) for your license and submit all paperwork, including your certificate to the DPS CONTACT US page.
